PART TWO: ALL ABOUT YOUR FANTASTIC EVENTS IDEA

The Edinburgh Events Challenge is about using a £150 budget to create a fantastic, fun event that raises as much money as possible to tackle loneliness in over 60s as possible*.

Your events can be anything – from fashion shows to gigs to food festivals to sports days to a cinema night to a danceathon! And remember, although our charity partner is Vintage Vibes, the events don't have to be vintage-themed.

So have a think about what would be fun, what would be popular and what would help raise as much

**All proceeds from the events will go to Vintage Vibes, an Edinburgh based charitable partnership that tackles loneliness through friendship.*

When will your event take place?

On Thursday 2nd November we'll announce who has been selected to be given a £150 budget to make their event a reality. You'll then have four months to organize your event, with the final date for all the funds raised to be counted being Monday 5th March.

Note: RAG week is 26th Feb to 1st March 2018 and events run during this week will be promoted by ESCA - but your event doesn't have to be then!

You don't need to know your exact event date just yet, but if you have a rough idea then include it here: **Potential Event Date:**

What's the plan batman?

Please give us a short summary of your Fantastic Event idea and tell us how it you think it will raise funds to tackle loneliness.

(Approximate word limit 200 words)

MONEY MONEY MONEY...

When you're planning your budget for your event remember that it's for a local cause! That means that you'll probably be able to negotiate charity rates from venues and maybe even get some vendors and businesses to donate their time or goods – it's amazing how many people want to help when you ask!

In the chart below, give a rough outline of how you would spend your £150. Don't worry, if selected you can always change it!

Any student in Edinburgh can also apply for up to £350 additional budget from Edinburgh Students' Charities Appeal (ESCA) Fundraising Grant (limited availability). If you are thinking of applying for this grant to top up your budget, feel free to include a suggestion of what you would spend the additional budget on.

Remember to include VAT in your costs 😊
